PEOPLE ARE SAYING

I was all over your website when I was discerning religious life, it gave me the courage to jump in and discern with a religious congregation in person!

I keep up with NL on Facebook, Instagram and podcasts all the time. I actually listen to the really old episodes at work and it helps me stay focused on what is important.

You are a peaceful place to rest and recharge in a world that seems to be spinning out of control. Thank you! You give us all hope.

Please continue this podcast! I absolutely love it! It's beautiful and listening to it warms my heart.

Thanks to your support, we can

- Create a space of welcome and fellowship, bringing together Catholic sisters, laypeople, clergy, and more.
- Engage with new audiences by developing new blogs, new website content, and new podcasts – including bonus episodes.
- Continue to walk with people through the questions, challenges, and joys that are part of the faith journey.
